

MUNICIPALITY	GRANT PROGRAM	TOTAL GRANT AWARD	PROJECT NAME
Barnstable	Conservation Partnership	\$85,000	Goodspeed's Hill (note - grantee is Barnstable Land Trust): The parcel is located on the south side of Goodspeed's Hill and serves as a trailhead to the Cape Cod Pathways trail. The acquisition will also lead to a CR placed on an interior walking loop, providing public access.
Barnstable	Gateway City Parks	\$202,369	Ridgewood Park: This project will close a street and increase the park size, provide a new playground and passive recreation space.
Barnstable	PARC	\$233,795	Pleasant Street Pier Park: The project will include the development of a new park on Hyannis Inner Harbor that will include a continuation of the "Walkway to the Sea", fishing, picnicking, and viewing areas.
Brewster	LAND	\$400,000	Windrift Acres: This unusually large Cape parcel is the missing link in 100 acre woods the Town has been working to protect for conservation and water supply protection. It abuts 323 acre Dennis Water District water supply land. The property will be open to the public for passive recreation on an extensive network of existing trails. In cooperation with the Compact of Cape Cod Conservation Trusts and the Brewster Conservation Trust.

Harwich	Conservation Partnership	\$85,000	Pleasant Bay Woodlands (note -grantee is Harwich Conservation Trust): The first phase of a two phase project that will eventually protect 49 acres of land and will preserve important wildlife habitat, protect the public drinking water supply, preserve critical buffering upland to the sensitive wetlands located within and adjacent to the property, and expand passive recreation opportunities.
Wareham	Drinking Water Supply Protection	\$204,250	Maple Park Wellhead Protection & Expansion: This is a high-yield aquifer. Wareham has seen significant population growth in recent years and water demand is projected to triple. This thickly wooded property has old cart paths connecting to abutting lands, providing passive recreational access.
